I-Sign Eco is the newest member of the I-Sign family. I-Sign Eco maintains the same sleek design with the thin edge which became so typical for the entire I-Sign range.

It is possible to create single-sided wall mounting or double-sided suspended or flag mounting signs.

# One Frame, Two Functions

The user can choose between a flexible version with a paper inlay behind a non-reflecting acrylic cover, or a more fixed version with 2 or 3mm thick sheets in different materials like PVC, ACM, acrylic or aluminium which allow for a highly customized solution.

## I-SIGN ECO FIX

## I-SIGN ECO FLEX

The frames, which are available in sizes DIN A6, DIN A5, DIN A4, DIN A3, 150x150mm and 150x300mm, are injection molded in abs plastic and are available in different colors.

Standard colors are aluminium grey and black.
